I understand that in order to be placed on this wait-list, I must be a property owner of record within the Briggs Farm development and I must remain a current member of the Briggs Farm Improvement Association to remain on the list. I also understand that it is imperative that I renew my membership ON-TIME (by April 30th of the current year) as this is when the association determines that a dock or kayak rack spot has opened and makes new assignments to the next CURRENT member on this waiting list. I understand that the association will attempt to send me a renewal package each spring but it is my responsibility to renew on-time as “**Time is of the Essence**” with regard to annual membership renewal. I also understand that if I do not renew my membership **ON TIME**, my name will be removed from the list, and upon rejoining, **I will be required to pay the appropriate wait-list application fee(s)** to have my name re-added to the bottom of the dock and/or kayak list.
